# 2 **INTRODUCTION**

## **THE UCI TRIALS WORLD CUP IS A SEASON-LONG SERIES OF EVENTS**

THAT TESTS THE SKILLS, STAMINA, AND CONSISTENCY OF THE WORLD'S BEST SPECIALIST IN THE DISCIPLINE.

OVER A PERIOD OF SEVERAL MONTHS, THE ATHLETES CONFRONT EACH OTHER TIME AND TIME AGAIN IN A BID TO CLAIM THE LEADER'S JERSEY AND, ULTIMATELY, THE OVERALL TITLE:

### **UCI TRIALS WORLD CUP**

## **THE UCI GOVERNS EIGHT DISCIPLINES OF THE SPORT OF CYCLING**

ROAD, TRACK, MOUNTAIN BIKE, BMX,  
CYCLO-CROSS, TRIALS, INDOOR CYCLING AND PARA CYCLING

The **Union Cycliste Internationale** (UCI) is the world governing body for cycling recognised by the **International Olympic Committee** (IOC).

The UCI's mission is to develop and promote cycling -in close collaboration with the National Federations- as **competitive sport**, as a **healthy recreational activity** and as a **mean of transport**.

# 3 TRIALS

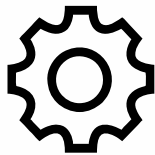

## TRIALS IS ONE OF THE MOST EXCITING UCI DISCIPLINES

The main factors are the **stability and the control of the bike in extreme situations**.  
Riders must demonstrate their bike handling skills on an obstacles course.

It brings together almost all the cycling skills: Physical fitness, concentration, agility, balance, strength and coordination. **All in all, total control of the bike is acquired.**

All cycling disciplines involve bike-handling skills, these skills constitute the essence of Trials. **Trials certainly offers extremely useful crossover benefits.**

**Any obstacle can be rideable.** In competition the most popular are rocks, precast shapes, logs or wooden structures. Riders use amazing movements to cross them such as: **side hop, pedal up, hook up, gap to front, back wheel jump...** the movements are not judged, they only allow riders to achieve their points.

## HOW IT WORKS

FOLLOW THE ARROWS, STAY WITHIN THE LINE AND KEEP YOUR FEET ON THE PEDALS!

THE CONCEPT IS SIMPLE: **CROSS THE GATES "CLEAN" WITHOUT SETTING ANY FEET OR PART OF THE BIKE ON THE GROUND, EXCEPT THE RUBBER OF THE TIRES**

**COLLECT 10 POINTS AT EVERY SECTOR CROSSED "CLEAN". 60 POINTS IS THE BEST POSSIBLE SCORE PER SECTION, 300 PER LAP IS SUPERB!**

**THE RIDER WITH THE HIGHEST SCORE IS THE WINNER!**

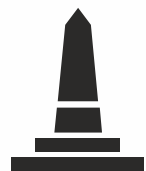

# 4 ABOUT VIC
